

Hello I am John Foley (Radar) and I am 64 years of age. I am standing for Club Captain.

I first joined Mount Maunganui Golf Club 25 years ago.

A brief history of Schooling and Work is below..

Schooling was at Matamata College, briefly Morrinsville College and finishing in the 7th

at Te Puke High School. After school worked in the National bank in Te Puke and Auckland ,sitting and passing Bank Officers Course.

Then worked in the Insurance Industry in office capacity and in sales.

I have also worked as a horticultural representative and sales in the fertiliser industry.

Also have had various driving employment. Have also worked as a volunteer for Waipuna Hospice.

I have had various trips overseas.

As far as sport I played Senior Rugby in Te Puke for a number of years for Eastern Districts Rugby Club and also served on the Rugby committee. Played over 25 years cricket at senior level for Te Puke and Mt Maunganui. Coached Senior B Rugby at Mount Rugby Club and the 1st Fifteen Mount College team.

I have served 8years on the Men's Committee here and with the last of those years as Men's Captain.

My reasons for standing for this position are that I can talk and listen to Members comments regarding any concerns with any aspects they may have within the club and suggestions and take that to Management on their behalf. Will also be available to Members every week to take on board any of these comments or concerns they may have. After all, the Club, in my view, is all about the Members.

Thank You.....John Foley
