

Michael Tucker

Aged 57

Married to Roz for 32 years

3 Children and 1 Grandchild

Background

I have run my own Building Company in Mount Maunganui for 30 years developing a solid reputation, winning several awards as a Master Builder and further with involvement in successful property development and investment.

I have served in the past on the Mount Maunganui Ratepayers Association, Mount Junior Rugby Committee and for 6 years on the Tauranga Racing Club Committee.

As a member of this Club for over 35 years my nomination for the board follows several years of service on the Saturday Men's Committee and currently as Men's Vice Captain. I have managed to win two Intermediate Championships both Match play and Stroke play.

We have been left a wonderful legacy by our Forbearer's. It's our duty as members not only to maintain for ourselves, but to improve our club for those that follow.

Your vote for me will ensure my best efforts.

Thank you to my Nominees.
